OBJECTIVE
Front-end Developer

PROFESSIONAL SUMMARY
Front-end Developer with 1 year of experience in building websites, user interfaces, and web maintenance, with professional experience at Jit Technology and the UFC's Núcleo de Práticas em Informática. Skilled in HTML, CSS, JavaScript (JS), SASS, Bootstrap, and SEO techniques for performance optimization. Experienced in agile methodologies, contributing to projects focused on responsiveness, accessibility, and usability. Strong focus on delivering modern, efficient, and user-centered solutions.

EDUCATION
Bachelor's in Computer Science – Federal University of Ceará (UFC), expected graduation in 2025
